Thank you for your interest in our products!

Please allow four to six weeks for delivery of your wholesale order. This will allow us to get additional parts and manufacture products in your order if they are not already in stock. Also, we love to travel to LEGO shows across the country which at times may prevent us from shipping your order immediately.

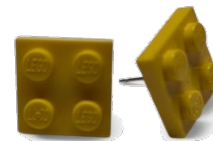

Minimum order \$500. Free shipping on orders over \$1000. Prices good through 12/31/2026.
